Chaverim,

I hope that you are enjoying the summer months as I have been. It always seems to go by just a little bit too quickly.

As I write this article, stores are already posting about back-to-school sales. August will see our kids heading back to school and some of our kids heading off to college! For me, July flew by as the first two weeks I was

serving as a rabbi at OSRUI, the URJ camp for our region. It was quite a wonderful experience which I shared with those at services when I returned. But before we bid summer adieu, we have two more events to look forward to. The first is one of our favorites – Shabbat in the Park which will take place on Friday night, August 7th.

Here is a refresher on the details. We will celebrate, as usual, with Congregation B'nai Abraham of Beloit. We will again be in the Red Oak picnic area

From Rabbi Binah Wing

To celebrate the end of summer, on Friday, August 28th, we'll have another summer favorite – S'more Shabbat! Services begin at 6pm and will be followed by a hot dog dinner and of course, tasty s'mores!

in Rock Cut State Park. This is our preferred shelter because it is the only one with a view of the lake and a playground. If you have an Illinois fishing license, you can fish. Shlomo and I will plan to arrive at around 4:30pm but history tells us that we usually get there closer to 5:00pm! From then until 6:30pm will be a time to just be together casually and have an early dinner. Hot dogs, buns, plates, cups, condiments, plasticware and dessert will be provided. There is quite a bit of soda left over from Food-A-Rama so we'll bring a cooler with some of that. If you prefer a different beverage, please bring your own, keeping in mind please that alcoholic beverages are forbidden on park grounds. Each family or group should provide their own sides. Feel free to bring enough to share but each person brings home what they brought out there. If you'd like to bring something of your own to grill, that should be fine. There are picnic tables under the shelter, but there is also plenty of grassy lawn for anyone wanting to set up a picnic blanket and chairs. Our Shabbat worship service will start at 6:30pm. We will notify you by email or phone tree if we need to make any changes due to weather concerns. Hopefully though, the weather will be beautiful. This is one of the most enjoyable services of the year so I hope you'll make the effort to attend.

Then, to celebrate the end of summer, on Friday, August 28th, we'll have another summer favorite – S'more Shabbat! Services begin at 6pm and will be followed by a hot dog dinner and of course, tasty s'mores! Cindy Michelassi will be leading us in song. It should be a lovely evening of worship and fun.

Enjoy the moments left in the summer and don't let the last few days slip away without enjoying their sweetness.

Shalom,
Rabbi Wing

From the Temple Board....

By Secretary Ellen Salley

The Temple Board conducted its first virtual board meeting in July. Each board member submitted a report and on line discussion was shared. Issues of a more involved nature were tabled until the August meeting. Highlights of the meeting included the presentation of the treasurers report which showed a need to review our five year plan as goals have been difficult to meet. Sharon reported that as of July 2nd 39 pledges have been made. It should be noted that all pledges are to be made before High Holy Days and before the start of Religious School. Religious Functions, Andrea Levey reported that Shabbat in the Park and S'more Shabbat have been scheduled and the High Holy Days are in works. Stuart Bard will be our cantor and Jean Anderson will work with the choir. Jordon Towne is getting estimates for repairs to the parking lot and the area by the two garbage containers. Community, Karen Zussman thanked the Pearlman's for hosting our social event on June 27th. Also noted the upcoming blood drive on August 25th. Karen also confirmed that a check for \$200 from the Cy Sachs fund was sent to the Lowcountry Ministries-Reverend Pinckney Fund at the direction of the board. The boards next meeting will be Wednesday August 12th at 7PM in the Temple library.

Yizkor Memorial Book being prepared

Towards the end of August, you will receive in the mail your form for inclusion of family names for the Yizkor service Memorial

Book. Names will be read during the afternoon service on Yom Kippur.

Please return your list by September 7th.

Thank you.

Brina's Bits

It is hard to believe that we are more than half way through the summer already. The Religious Functions Committee is preparing for the High Holy Days and the choir will begin practicing August 4th and every Tuesday up through Yom Kippur. All of us look forward to the traditions that go along with the High Holidays.

We should be very proud of our Temple Library. We have had the honor of entrusting our library to Joel Rosenfeld for over 10 years. I have mentioned at board meetings and in the Temple Bulletin that Joel will be retiring as the Temple Librarian. Joel has worked hard to add informative and interesting books to our library. Another of Joel's roles as Librarian has been to periodically write articles for the Temple bulletin describing new books that may interest us. Joel has cataloged the books in the Library to help locate a particular book more easily.

In order to carry on Joel's tradition, I would like to give someone the opportunity to become our next Librarian. Maybe you are retired and would like to volunteer a few hours a month or your children have started school and you don't know what to do with your free time. According to Joel, "the regular maintenance of the library is minimal. Sometimes there are books that need new check-out cards or minor repairs. Additions to the collection need some preparation. The library can be left alone several weeks without apparent inconvenience."

"More interesting for the new librarian would be selecting new materials for purchase and selecting from donated items which add to the collection. The Kupperman Fund has been set up as a supplementary resource to the annual budget. Removal of materials no longer needed is necessary because the shelf space is limited."

Does the idea of being the librarian at Temple Beth-El interest you? If so, please let me know or call Joel and get the firsthand information.

Like so many things here at Temple, we have great people who do so many great things behind the scenes and just make things happen every day. Joel has quietly kept our library up to date and we sincerely thank him for his dedication.

around \$10.00. Few westerners will ever be able to understand Muslim or Afghan society unless they are part of a Muslim family. Twenty years old and in love, Phyllis Chesler, a Jewish-American girl from Brooklyn, embarked on an adventure that has lasted for more than a half-century. In 1961, when she arrived in Kabul with her Afghan bridegroom, authorities took away her American passport. Chesler was now the property of her husband's family and had no rights of citizenship. Back in Afghanistan, her husband, a wealthy son reverted to the ways of society there.

SCHOOL DAZE

200 Words or Less...

By Goldie & Adrian

By now you should have received your Religious School registration forms for the 2015-16 school year. The Temple Board reminds you that in order to receive your registration information you must be a member in good standing. This means that you have made your pledge for the coming year. If you have any questions regarding this please contact the Temple office. Thank you.

Please stay tuned for information regarding the Rockford Ethnic Festival on Sunday, August 30th. Last year the Rockford Federation asked us all to participate in this new event. We had a great time marching in the parade. Families enjoyed the many activities and food booths. We look forward to increasing our numbers and showing our Jewish pride!

Our school year begins later than usual this year due to the timing of the High Holidays. Our first day will be Sunday, September 20. You will be receiving your second summer letter sometime later in August. This letter will highlight the first day agenda and include other pertinent details regarding Religious School.

Enjoy the rest of your summer.

TEMPLE BETH-EL MINUTE WITH A MEMBER

*Dear TBE Friends:
Our next "Minute with*

a Member" features Golans as answered by Ronit. We hope you will enjoy getting to know them a bit more!

-Tell a little about yourself and family:

Roni and I met 30 years ago in Israel while I was studying PT at the Tel Aviv University. We married soon after meeting and had our 2 girls Yasmin and Maya (now almost 28 and 26). We moved to a kibbutz just before Maya was born and then moved to a moshav 4 ½ years later. Both are in the Ashkelon area. From there we moved to Rockford 19 years ago. I now work for Swedish American supervising 3 outpatient PT clinics. Roni owns a beautiful gallery called "State of The Art" located on State St. between Madison and Water Streets. I also do a booth at the City Market called Ronit's Kitchen for the first 10 weeks of the summer. I make Israeli food.

Yasmin is now married going on 2 years and living in Rockford. She runs the Irish Rose and is finishing her degree in Graphic Design and Computer Science.

Maya is living in Israel with a serious boyfriend. She is studying at Ben Gurion University in Beer Sheva. Her degree will be in European Relations, Business and English Literature. We also have 2 dogs Picasso and Dali and a cat Tye.

Your favorite Temple activities:

My favorite activity is cooking with the kids on Sundays and of course Food-A-Rama. Roni would not say the same.

Favorite Judaic holiday or food:

I love Oznei Haman, especially with date filling. I also love Israeli foods like schnitzel and schwarma!

What is the biggest challenge you have ever faced?

My biggest challenge was probably PT school in Israel. Studying in Hebrew was hard and studying became harder when I got pregnant and had Yasmin at the end of my 3rd year, and was pregnant with Maya my last year.

If you could take two weeks off from all your responsibilities, where would you go and what

would you do?

We would probably go to Hawaii. We have always wanted to go there.

What are some of your favorite things to do around the Rockford region?

We love the City Market and State of the Art as well as cultural events in Rockford. We also love the bike path along the river. I would like to see more things happening there, like small shops and coffee houses.

-What is the best advice you have ever received?

"Lead by example." I was taught that in my days in my Jewish youth movement and have always tried to lead by example.

Ethnic Festival and Parade

Sunday, August 30, Noon—6:00pm
7th Street and 4th Ave.

The Jewish Federation is one of the core group organizers for this community wide event. People who participated last year had a great time. We were filled with pride as we walked in the parade with our complimentary Israel t-shirts. It was nice to have the Jewish community represented.

This year the festival and parade will be bigger with more ethnic groups participating.

The Jewish Federation has volunteer opportunities for you:

- People to walk in the parade
- People to drive participants back to their cars after the parade
 - People to decorate our float (Sherry's convertible)

Please volunteer. We need you and it is great fun!!

Let me know if you need a T-shirt or if you have one from last year.

Dear God! Dear, sweet Lord!

Oy, *Gotenyu!* Are you in trouble!

On the Lighter Side...

A man approached old Mr. Katz in a town he was visiting. "What's the quickest way to New York?"

Mr. Katz scratched his head.

"Are you walking or driving?" he asked the stranger.

"I'm driving."

"That's the quickest way!"

The Greek says, I'm tired and thirsty. I must have ouzo.
The Jew says, I'm tired and thirsty. I must have diabetes.

An archaeologist was digging in the Negev Desert in Israel and came upon a casket containing a mummy. After examining it, he called the curator of a prestigious natural history museum.

"I've just discovered a 3,000 year old mummy of a man who died of heart failure!" the excited scientist exclaimed.

To which the curator replied, "Bring him in. We'll check it out."

A week later, the amazed curator called the archaeologist. "You were right about the mummy's age and cause of death. How in the world did you know?"

"Easy. There was a piece of paper in his hand that said, '10,000 Shekels on Goliath'."
